ABSTRACT

These are tables documenting tuition and required fees, room rates, and board rates at member institutions of the American Association of State Colleges and Universities and the National Association of State Universities and Land-Grant Colleges, by state for 1971-72. The figures given are for typical full-time undergraduate students for 2 semesters, 2 trimesters, or 3 quarters. The 1970-71 rates are also given when they differ from those of 1971-72. Tuition and required fees for residents (of the respective state or district) for 1971-72 vary from \$70 at the District of Columbia Teachers College and The City University of New York to \$2,800 at Cornell University. Rates for nonresident students vary from \$175 at the University of Guam to \$2,800 at Cornell University. Room rates vary from \$141 at Idaho State University to \$780 at the University of Toledo. Board rates vary from \$288 at California State College to \$900 at the University of Alaska. Over 67% of the approximately 370 institutions report a tuition and required fees increase over 1970-71, ranging up to \$350 for residents (University of Connecticut and Central Connecticut State College) and \$1,000 for nonresidents (Prairie View A & M College, Texas). Eight of the institutions report a tuition and required fees decrease. (HS)
